

The Journey Within, Inc.

2019 Tax Deductible Donation Form

Tax Exempt #82-1072993

Dear Community Advocate,

The Journey Within is a non-profit organization founded to help ease the way for young families, widows and widowers suffering tragic loss. TJW, Inc. was created to honor the life of Travis Walker, a young father and husband who unexpectedly passed away in October of 2015.

Funds received through voluntary tax-deductible contributions go to local families who have lost a loved one. Over the past year we were able to donate over \$15,000 in financial support, adopt a family for Christmas and assist families in finding local practitioners to provide grief therapy.

Without donations like yours, we would not be able to provide our services. It is our goal to relieve some burden, so families can focus on hope and healing. Your commitment to our community is inspiring and we cannot thank you enough!

Donations can be made at TheJourneyWithinInc.org or via mail (address provided upon request). Please return this form to TJWInc@yahoo.com.
